

2017 Western Benefits Conference July 9-12 in Anaheim CA!

On behalf of the Orange County Chapter of the WP&BC, we are putting together a **"Best of The OC Insider's Guide"** to visiting Orange County, California for Conference attendees. You will want to take advantage of all that Orange County has to offer, so be sure to add some extra "fun" days to your Conference. To kick things off, here are a just a few of the great tips we have gathered from our "locals":

- ♦ **Disneyland** is right next door to the Conference! If the regulatory rollercoaster is not scary enough, try out **California Screamin' at the California Adventure** theme park. Locals know to go midweek, get there early, take a break midday when crowds are highest, and make dining reservations in advance.
- ♦ **Orange County Beaches** are world class. People watching at **Main Beach in Laguna**, celebrating the sunset from **the Beachcomber in Crystal Cove** or catching a wave at the surf capital in **Huntington Beach** are all great choices. Don't forget your sunscreen!
- ♦ **Shop like a pro—South Coast Plaza** is a world renowned shopping mecca. No need to fight the traffic - take the free shuttle from our Conference hotel.
- ♦ **Eat Some Oranges (of course!)** at the **Anaheim Packing District**, a former orange packing plant turned hip food court/music venue which is right nearby.
